What is Wedding Insurance?

Wedding insurance helps couples protect their finances should something go wrong... like extreme weather, unexpected illness, property damage to the venue, alcohol-related accidents, and many other situations you may not anticipate.. Without wedding insurance, you're left with the responsibility, which could easily add up to thousands of dollars.

Why WedSafe?

- A choice of coverage to meet your venue's requirements
- Ability to name the venue as an additional insured
- Ability to customize your insurance certificate with venue-specific language
- Obtain coverage online quickly and easily
- A copy of certificate emailed to your venue
- Primary coverage
- Include your rehearsal dinner, ceremony, and reception venues all for one low rate

Liability & Property Damage Insurance

Often required by venues, this coverage protects you for damage to the venue and its contents that occurs during your event. It also covers you for bodily injuries that might occur to your wedding party, guests, or vendors, and for alcohol-related accidents. In most cases, your venue will tell you how much coverage to buy to meet their requirements. You should consider adding more if you will be serving alcohol, as you could be held responsible in the event of an alcohol-related accident.

* Rates can be up to 1.5% lower when Liability coverage is purchased along with Cancellation coverage at the same time. A nominal administrative fee may be charged in order to offset costs of administering a Risk Purchasing Group that is structured to deliver coverage through this program.
